Subject: for you

Dear Sir,

I urge you to read through this letter carefully to understand the content. Please understand that I got your email address after sourcing from a human resource profile database on your country. I am writing you expecting your confidentiality and sincerity on this issue. Being a foreigner we have an advantage in the proposal I have for you below. I also intend on giving you my details as soon as I am sure of your willingness to assist me.

On July 12th 2005, Late Mr. Robert Godspeed a foreign investor of the Kruger Gold Company opened an Investment Savings Account (ISA) in our Bank here in Johannesburg (South Africa) with the sum of four million two hundred thousand dollars. He died of complications arising after a heart transplant operation some months ago in Germany. His ISA after active trading is four million four hundred and seventy-three thousand, seventy-four dollars (\$4,473,074.00) and because I was the official in charge of his investments and a personal friend of his I know that he did not include a next of kin in his documents and he did not tell anyone of this account as he was a very secretive man.

This is my proposition:

1. That you stand as next of kin to late Mr. Robert Godspeed.
2. If you agree we will share the money in the following percentage (50% for me, 40% for you and 10% for charity in honour of his memory).
3. That if you agree we must keep this transaction between both of us and you must not disclose about it for security reasons.

Please reply to this email (mousxxx@UnionPlus.net) if you are interested and then I can give you my phone number so that we talk.

Thank you.
